Dear Campo
Football
Community,

H A N K Y O U

**A MESSAGE
FROM
THE TEAM**

T

hank you to the parents who have dedicated thousands of hours to planning team dinners, senior night, making the programs, and supporting us through times of both anxiety and victory. Their support cannot go unnoticed, as without them, Campo Football does not exist.

Thank you to the community for giving up their Friday nights to watch their boys take on challenges no other boys will ever experience. Thank you for not losing hope at the sight of our record, and seeing that the value of the team means more than what is reflected in the win and loss category. This season has been a challenge like none other, and while it might not be easy to see the details from the outside, the size of our opponents has been the least of our concerns.

Thank you to the little sisters and brothers who have been dragged along to sit through freezing cold games and sit at the dinner table and listen to their siblings rant and go on forever about the crazy stories that happened at football that day.

Thank you to the coaches who put blood, sweat, and tears into dedicating a major part of their lives to developing us boys not into good football players, but instead into great men. The relationships that they create between the players and themselves leaves a sense of respect that cannot be put into words. The madness on our sideline is a vibrating atmosphere of minute switches and adjustments, representing the geniusness within our staff. Thank you to Dr. Sproul and our trainer Ray Albiento for volunteering hours beyond necessary to make sure our team gets the best medical treatment

available. No other team in the whole Bay Area has the medical help that we have. You can recruit as many kids as you want, but no amount of bribery could replace the value of Dr. Sproul and Ray.

Thank you to the administration who has dealt with chaos and supported the football program throughout the season.

Most importantly, **thank you** to all who came before us, setting the standard for how Campo Football is meant to be. The traditions, legends, and stories that have developed during Coach Macy's 21 years here at Campo are what mean the most to the players. We as a team this year set our goal to make it to Thanksgiving week, not for ourselves, but to give the alumni a chance to relive their years as a Campo Football player. All we ever hear from the alumni are stories that happened during meetings and bonfires, never from the games themselves. That is the mantra Coach Macy has created for us to live by: Striving for one more week with your buddies to be able to honor those who came before you. ■

t's no secret that football is a sport that boasts big numbers – big rosters, big budgets, big fan base. But sometimes we take for granted maybe the biggest number of all...the one that represents the vast army of people who step up to make Campo football as great as it is. Thanks to the extraordinary contributions of over 150 people, not including the support of local and faraway fans, the Campolindo football program is not just a high school sport, but an experience that the boys and their families will carry with them forever. It is truly a team effort not only on the field, but off the field as well. Whether they fill high profile roles like being a team mom, or are more behind-the-scenes, each and every participant has an important impact on Cougar football. This collective energy of an entire community is what truly fuels the players and coaches toward a successful season.

As we start our playoff run and enter into the tail end of the season, we wanted to dedicate this issue to thanking all the people who help make Campo football so special. After all it is November – what a perfect opportunity to show our gratitude!

Thank YOU FANS!

To the Red Sea for painting your faces, donning the t-shirts, and coming up with the most clever (yet surprisingly respectful!) chants out there. You have no idea the power you have to influence a football game. The players need you more than you realize – thank you for being there for them.

To faraway fans like **Uncle Buzz Clark in Maryland, Grandma and Grandpa Berzins in Chicago, Eric Taylor** (though not necessarily faraway, prefers to watch on his big screen in Moraga). To our **alum like Jack Stephens and Jack Cassidy** who log on all over the country to watch the Cougars. To the **500+ followers of the Campo LIVE** broadcast on the CUBE – thank

To the **local family, friends and alumni** for coming out Friday night to support the team win or lose. You are a game-changer. Your unconditional love and support, regardless of performance or outcome, make it possible for our players to participate in this sometimes-brutal sport.

you for supporting the Cougars virtually. While we miss you on Friday nights at the stadium, your energy and support travel through cyber-space and right out into the hearts of the players.

Y O U
THANK CAMPO FOOTBALL
COACHES
and their families

To **Coach Kevin Macy, his wife Clare, son (and Coach!) Miles and daughters Janie and Maggie** for 21 years of dedication above and beyond. For creating a program that has had an immeasurable lasting impact on generations of young men and their families. We can only imagine how the Campo football program must hijack the peace from your lives. And while we struggle with the demands we place on your family, we will be eternally grateful for the gift of your valuable time and energy. There are simply not enough words to express our appreciation...

To **Coach Matt, Coach Levey, Coach Keeperman, & Coach McCauley** for your incredible loyalty to Coach Macy and the players. The wisdom, perspective and personalities you bring to the football field have been the catalyst for players to grow from boys to men. You are the cornerstones that hold this football program up – strong, solid and sure-footed. We cannot thank you enough.

To **Coach Schofield** for your calm and intelligent demeanor, often in the midst of chaos, while directing the Campo football offense. You truly are a source of security and confidence for the players. Your mentorship is such a gift and we will forever be grateful.

To **Coach McGinn** for being our Master Sensei. With quiet authority you transform good athletes into great receivers who make the versatile Campo offense pos-

sible. Thank you for teaching our players how to catch the right way. Your mere presence mysteriously brings out the very best in our team and we are so grateful for any and all time you give our program.

To **Coach Downing** for joining this extraordinary team of coaches and bringing your excellent teaching skills to the football field. Your passion is contagious!

To **Coach Ahr** for your devotion to our kickers, way beyond kicking. What a special fraternity you have established that has produced amazing young men on and off the field! Their return to help with the next generation is a true testament to brotherhood you have established.

To **Coach Joe Petite** for taking on the very challenging role of coaching the freshmen – a job that goes way beyond teaching football. Your attention to making sure the players learn the Campo football culture of respect and teamwork pays off in droves as the boys progress through the program. Your excellent balance of authority and guidance is rare and we recognize that through you, the boys are a few steps closer to being able to handle the challenges that high school brings.

To **Mark DeWeese, Darrell Breedlove, Gary Hein & Brian Walgenbach** for being the coaching “boots on the ground” at practice and during games. The individual attention you offer the players while teaching them the nuances of the sport and their positions brings out talent that may not have been discovered otherwise. Thank you for the gift of your time, energy and kindness.

THANK YOU for taking care of our boys.

To **Dr. Robbie Sproul** for bringing peace of mind to both the boys and the parents. And for your tireless dedication to all that is truly best for Campo football. Your sincere interest in and excellent care of the well-being of the players, way beyond their physical health, is a game-changer. We so very fortunate to have you as part of the Campo football program.

To **Ray Albiento & the Campo Sports Medicine Staff** for being on the front lines to tape up, check heads, massage cramps, delivery hydration and so much more! We are so thankful for your superbly qualified attention to providing much needed care.

Thank ^{Y O U} TO Campo Administration and Staff

To **Principal John Walker** & his secretary **Carolyn Daughton** for year after year supporting the Campo football program and the roller coaster ride that it is. We realize we can be a high maintenance bunch and we appreciate the time and energy you give.

To **Vice Principal Jon Drury** for jumping in this year with two feet! From your support with our facility wants and needs to your sideline enthusiasm, your optimism and sincerity have been a great motivator to all of us in the program. We are so grateful that you have joined the team.

To **Athletic Director Shannon Rogers** for navigating the organizational and regulatory ins and outs of the complicated high school sports world. We are comforted knowing that you are at the helm ensuring our compliance.

To **Cathy Cooper** for handling all things attendance-related for 130+/- players – that is no small chore! But more importantly, for being the good luck charm at our home games greeting the players and fans as they enter the stadium. Seeing you is instantly comforting and your unconditional love for the players is priceless.

To **Susie Frederich** for braving the cold weather and sometimes “cold” opponents while working the field gate. Thank you for supporting our boys as they enter the field – you too are an essential good luck charm! We apologize for the annoying balloons!

To **Jaylene Watson** for handling the nightmare that is transportation for three football teams. In dealing with irritable bus drivers to irritable parents, your patience and kindness is extraordinary. (and thanks for slowly but surely becoming a Cougar fan!)

To **Federico Verduzco & Campo Custodial Staff** for always being there for us with a smile and the keys! From game day stadium set up to random MUR needs to post-game clean up – we are so lucky to have you on speed dial knowing you are willing to help. We couldn't do it without you and your team!

thank ^{Y O U} PRESS BOX

To **Tripper Ortman** for being the voice of Cougar Football and effectively infusing some wry humor into your commentary; to the **Matts – Ehrenberger and Westphal** – for spotting the plays, players and the ball all while giving high fives across Tripper in the booth. To **Tom Anthony** – for being our veteran dedicated scoreboard operator – you are the best in the league and we are so fortunate that you continue to support our program

To **Red Smith** for being our press liaison and making sure they get the story and stats right!

To the **JV Crew of Jimmy Cirelli** (thanks for trying to be “neutral” – we love your passion and we know it's hard!), **Steve Campo, & again Matt Westphal & Tom Anthony**, as well as the **Freshman Crew of Jason Fritch, Stuart Crumbaugh, Frank Wheeler & Steve McLin** for learning the ropes for the next generation.

THANK you ... **Campo Live** Broadcast Team

To **Ray Berzins** for being the force behind making it possible for all of our faraway fans to support the Cougars by watching on the CUBE – your time, energy and dedication to organizing the technical and human resources necessary to make this happen are a huge gift to the program.

To **Chris Fleming, Jack Moser, Ethan Khakmahd, & Frenel Francisco** for dedicating long hours on your Friday night and braving the cold to be our loyal student broadcasters – you too have made Cougar football friends and family all over the country very happy!

To **Matt Rei & Ken Ingersoll** for your home game announcing on the CUBE – your research, preparation and sincere love for Campo football emanates throughout the broadcast. Intelligent, articulate and passionate commentary help our fans feel like they are experiencing the game in person. Thank you for the heart and soul you dedicate to this endeavor.

THANK you TEAM PHOTOGRAPHERS & VIDEOGRAPHERS

To **Karen Drinkwater, Gina Smith, Ray Berzins, and Chris Whiting** for capturing this season's moments so we can keep them forever. Your eyes and equipment yield the most beautiful images that allow us to share the drama and intensity, as well as the joy and tears, taking place on the field. Thank you for braving the cold, wet, and often physical risks in order to provide our team with your artwork – we will treasure it always.

(And **Karen** – thank you for coming back xoxo

To **Sam Garcia** for being old faithful for the last several years – filming every game so the players can watch it without delay at their post-game pizza gathering. The boys wouldn't know what to do without it – thanks for being willing to hang in there for another year even though Lev is graduating. We are so grateful for such a true Cougar supporter.

To **Dave Pullman of Hot Shots Video** – for the talent, kindness and loyalty you have given the Campo football program. Your film provides valuable, priceless teaching opportunities through HUDL as well as the footage used to create some awesome player highlight videos, not to mention the much anticipated annual team highlight movies. Thank you for providing your incredible expertise to our program.

And to our JV and Freshman photographers, **Kelly Barlow, Joe Nykodym, Bruce Lyon and Farin Januszewski, Grif Dow** for leaving work early to immortalize your seasons for the families.

thank^{YOU}

MUSIC AL Talents...

To **Lleyton Allen** (lil' brother of JV Player Lucas Allen) for gracing us with the most beautiful renditions of the National Anthem in the league. You are blessed with a true gift and we are so grateful that you share it with us. Your angelic sound showers a sense of pride and peace on everyone in the stadium.

To the **Campo Pep Band** for being there and bringing a unifying force to our stands. It's never the same without you.

thank^{YOU} CHEER leaders

To the **Cheerleaders** and their **Coach Janine** for your dedication to improving the sport of cheerleading at Campo. Your growing roster and number of flip-flops on the track is truly impressive, and we appreciate your glowing smiles and unwavering support of the football team.

THANK^{YOU} Ball Boy

To **Joey Schmidt** for your years of dedication to Jacob Westphal and the Cougars. With you in charge, Jacob knew his footballs were in good hands. Thank you for your attentiveness to the game and refs, and for sacrificing your Friday night middle school social scene to be with our boys on the field.

thank^{you} THURSDAY DINNER CREW

To **Leslee & Dan Baldwin, Sara & Tim Regan, and Mary & J Torchio** for being willing to take on the role of feeding the troops Thursday nights. Not only a massive logistical endeavor taken on every week, but one that must be infused with the necessary emotional juju to prepare the boys for the next game day. Thank you for being so organized and for accommodating even the pickiest of tastes...the boys are very lucky indeed!

To **all the families** who donated food and drink to keep the cherished Thursday dinner tradition alive - thank you!

thank YOU

To **Tom Constable** for continuing your tireless efforts as an ambassador for Campo football. Thank you so much for making sure that all those involved feel appreciated and included in the Campo football family, and for helping bridge important discussions between the program and administration.

MEET JACKSON RENEAU

Just a Kid from Campo

W

hen someone asks ‘Who is the biggest Cougar fan?’, the majority would answer Jackson of course! Clever with his outfits, usually somehow tropically inspired with a ubiquitous hat and a cane that he says is “a necessity”, Jackson is a fixture at not just Campo football games, but at as many Campo sporting events as his schedule permits. He was on the field with the football Cougars freshman and sophomore years but determined that he “would rather watch my boys play from the stands than the sideline”. And lucky for the football program indeed – Jackson is a Campo Red Sea inspiration and we can always count on him to get the crowd going. Jackson seems to understand deeply the power of the “12th Man”, referring to how an enthusiastic crowd can be as powerful as having another person on the field. He knows that a passionate fan can be contagious and that by simply being loud, it’s inspires others around to turn up the volume.

Jackson, a senior graduating with this year’s Class of 2017, has favorite football memories spanning his time at Campo. Along with an entire community, the Cougars’ victory over Milpitas last year stands out for him as well the more recent Lev Garcia catch that even Coach McGinn ranks as one of the top Campo football catches of all time. Jackson will continue to

come back and cheer on his Cougs from all sports when he is home from the University of Arizona where he will be attending college following graduation. He hopes to study something involving photography. We predict that his creativity and enthusiasm will lead to much success.

As confident in his playoff predictions as he is in his wardrobe, Jackson believes that if “the boys go hard, we will go far”. Let’s hope he is right! ■

All-League Honors

Congratulations to the following Campo football players who received all-league honors. These players stand out amongst the vast amount of talent in the Diablo Athletic League and we are so proud of them. The range of positions represented by the honorees is a true testament to the Campolindo formula that the team is what leads to success, not an individual. Well done boys!

T SPOTLIGHT: Ed & MaryAnn McCauley

This issue, as we take time to appreciate the extraordinary contributions of so many people who make Campo Football the wonderful program it is, we would like to recognize a couple who are truly remarkable in their dedication and sincere love for Cougar football.

Ed and Mary Ann McCauley have been fixtures of the Campolindo football program for 35 years. Ed is like a giant teddy bear imparting his coaching wisdom on the linemen, sharing fascinating (tall?) tales in the shed, and keeping stats to be showered on the boys post game. He is never without his black portfolio mysteriously filled with miscellaneous articles that somehow seem specifically selected for whomever it is he stops to greet. Ed always is ready with a joke to lighten the mood and his camera to capture the moments, often followed up with beautiful glossy 8x10s delivered in cardboard protective envelopes.

If Ed is the teddy bear, Mary Ann is the warm security blanket. In the stands at every game, home and away, always dressed in the appropriate game day color, Mary Ann makes the fans, especially the moms, breathe a little easier as she always imparts a sense of uncondi-

tional love and support for the players, parents and the program. She likes to keep up with the bleacher chats and the who's who. Mary Ann hurts when a player hurts, celebrates when they celebrate and her reassuring hugs remind us that family and community are the cornerstone of Campo football.

Coach McCauley started his coaching career at Campo in 1981 with a winning record and has been working with the Cougars ever since. The McCauleys raised their two children, Mike and Maria, in Moraga in the same house they still live in today. Both kids are Campo grads and Mike was a first team all-league Campo football player on both offense and defense on the 1985 Cougar team. Ed and Mary Ann work together for their own business, but spend as much time as possible with their three grandchildren, Matthew, Elizabeth and Katherine. The McCauley kids and grandkids are also big Cougar supporters and come to as many games as they can.

The McCauleys' love and kindness is not confined to Moraga, but extends across the globe. Ed travels three times a year to teach chemistry to school children at Corpus Christi School in Cagayan de Oro, Philippines.

He has been working with this community for 36 years and has connected their school with ours. They have passionately adopted the Cougars as their team and root for its success every season. The students proudly don their Campo football t-shirts and collectively say a prayer for the team before every playoff game! Campo football photos are posted in their classroom and a large school assembly was held to watch the 2014 state championship team highlight video. And here's an interesting co-incidental twist – one of the start running backs from the 2011 state team, Riner Ebarley, attended grade school at Corpus Christi in Cagayan de Oro – what are the odds of that? He was even featured as on Cal-Hi Sports! It's almost as if destiny had a plan for our two schools to co-exist and the McCauleys have been the vehicle of that wonderful fate.

We are so fortunate to have this wonderful couple who epitomize comfort, stability and community in our Campo football family. If you see them, say hello and thank you! You never know...you might be the next lucky recipient of one of Ed's beautiful photos. And even if you aren't, you will find that their sincere smiles and gentle hand will warm your heart. ■
